

Conect Economy Digital Vinyl

Conect EDV is a white monomeric calendered self-adhesive vinyl. It is suitable for use on a variety of super wide format inkjet printers using solvent ink. Conect EDV is recommended for a wide range of short term promotional applications on flat substrates.

Features:

- 1), Excellent printability and handling on selected printers especially Roland Eco Sol
- 2), Easy cutting and application on a wide variety of substrates
- 3), Excellent price/performance ratio for outdoor promotional graphics

Application:

- 1), Interior & exterior signs
- 2), Window decoration
- 3), Temporary promotional and point of sale advertising
- 4), Vehicle advertising/graphics
