Staff Required

Signwriters and Labourers

Icon Creations requires the assistance of 12 signwriters/vinyl applicators and 18 labours for the application of spray mask graphic templates to one of Melbourne's largest infrastructure projects, Works are to be carried out at night in a protected environment. The work hours will be between 9pm to 5am Sat to Thurs. (no work on Fridays) Teams will be developed and shifts of 1 week on 1 week off will be put in place.

The project will extend over a 4 to 5 months period. Approx project start date will be August and project to be finished late December/ Mid January.

You will be responsible for making your own way to and from the site. The site is around the Southbank precinct.

If you feel you match the above requirements and would like to join our team, we would like to hear from you.
