

KlearWipe 075KCDE

Long-term Hard Coat Clear Dry-Erase Polyester Lamination Film

Applications

- Schools and universities: ideal for use on desktops, filing cabinets, lockers, classroom whiteboards
- Bars and restaurants: weekly specials, menus, counters, scheduling
- Work environments: ideal for use in conference rooms, as an office communication brainstorming tool, process flow charts, performance metric charts, courtroom displays, dry-erase office pads
- Warehouse/production environments: calendars, organisation schedules, delivery planners, maintenance schedules, production planning
- Healthcare: in-room boards, nursing station boards
- Tags requiring frequent changing (ex. for supermarkets)
- Strategy/coaching boards for sports
- Writable doors, separation walls
- Interior decoration: children-friendly writable walls, furniture and toys, kitchen backboards, shopping lists, family planners
- Fast and easy replacement of old dry-erase boards
- Lamination on black film will create a perfectly black chalkboard that you can use with all liquid chalk pens
- Ideal for use as customized whiteboards with white, coloured, metallic or luminous backgrounds

Benefits

- Multi-functional hard coat surface: whiteboard & blackboard scratch resistant laminate
- High-end quality surface with excellent scratch resistance, ideal for intense use
- No ghosting, even for long-term writing
- Perfect writing with no pearling effect
- Permanent markers can be easily wiped off with wipes containing isopropyl alcohol without damaging the film
- Turns any smooth surface into a dry-erase surface

- Specifically developed for laminating onto UV-cured prints, eliminating silvering
- Exceptional laminate suitable to use on top of any kind of print or smooth surface
- Excellent indoor laminate
- No-fuss application: can be wet applied where needed (ex. manually) or laminated mechanically
- Ideal width for wide format printing films and boards
- No shrinking, easy to handle and apply
- **BS EN71-3:2013+A1:2014 compliant** for safety requirements for toys
